

HELP WANTED IN THE MEDIA CENTER

I am looking for a few individuals (parents, grandparents, community members) who would like an opportunity to volunteer in our school library! I need help checking out books to students each week and checking them in when they are returned.

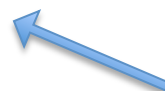

My goal is to organize a small group of dedicated volunteers to work an hour or so my each week so my lower elementary classes have extra hands choosing and checking out library books.

See the schedule on the back of this note and let me know if you would be interested in helping.

In other areas, with the flu season coming, I could always use boxes of tissue and Clorox Wipes to keep things clean. Thanks for your contribution!
